New York, Nov. 5 1876.

Dr. G. Engelmann;

Dear Sir,

I am very much obliged to you for the copy of your pamphlet on the American Oaks, which you had the kindness to leave for me at the Museum. Ever since my arrival in the United States, I became interested in the genus *Quercus*, and soon learned to distinguish the principal Eastern species. I only regret that I was not in possession of

your pamphlet while I was in
California, as it would have drawn
my attention to some of the less-known
species, concerning which I could not
obtain any information on the spot.

Very respectfully yours

R. Green Sargent,
